

AFM 26

TENDER SPECIFICATION

Manufacturer information

Getzner Werkstoffe GmbH
Herrenau 5
A-6706 Bürs
Österreich
www.getzner.com

Brand: **Acoustic Floor Mat 26**

Product properties

Material	high resilient impact sound insulation based on polyurethane material; Volume-compressible; free of softeners and harmful substances (e.g. VOC)		
Standard delivery ex works	sheets:	width length	1,200 mm 1,500 mm
Thickness:	10/5 mm (wave cut profile)		
Load capacity:	5,000 kg/m ²		
Dynamic stiffness:	≤ 20 MN/m ²		
Compressibility:	≤ 1 mm		
Thermal conductivity:	0.06 W/m ² K		
Flammability:	Class E		
Impact sound reduction:	26 dB		

Offered product: Acoustic Floor Mat 26 (AFM 26) from Getzner Werkstoffe GmbH or equal.*

Quantity: m²
Sum: €

*a CE Mark has to be submitted by the manufacturer if a different product is offered.
